

Como Instalar os Componentes por Henrique Baumgarten

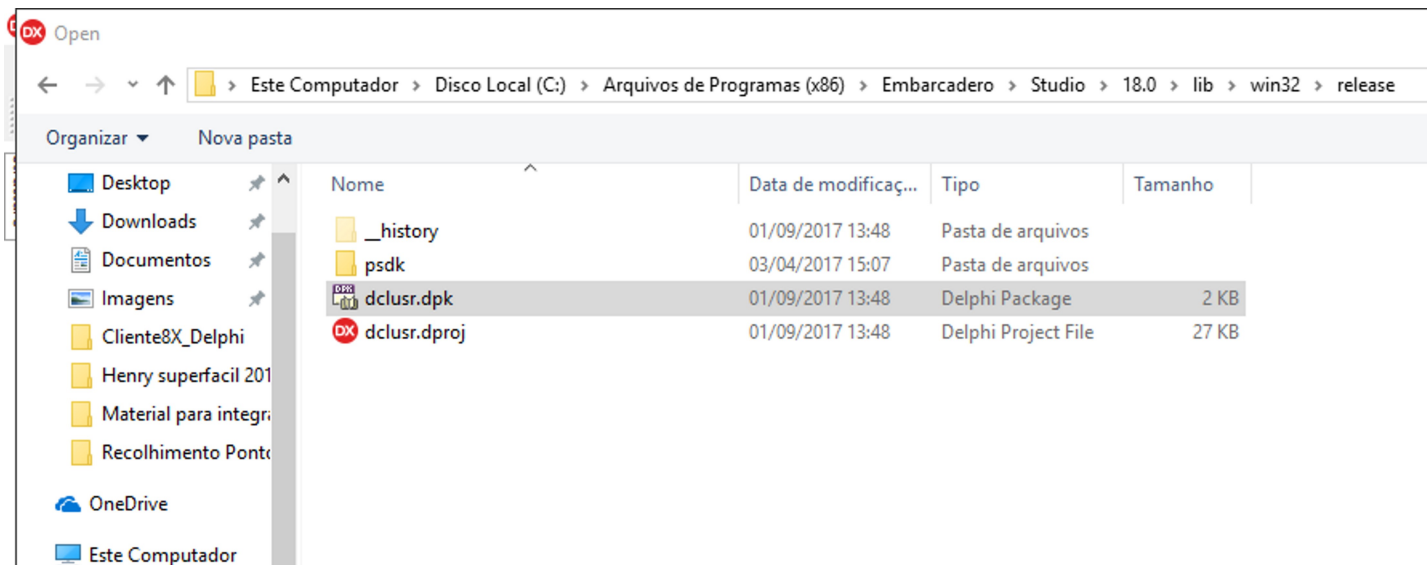

quarta-feira, 6 de setembro de 2017 08:57

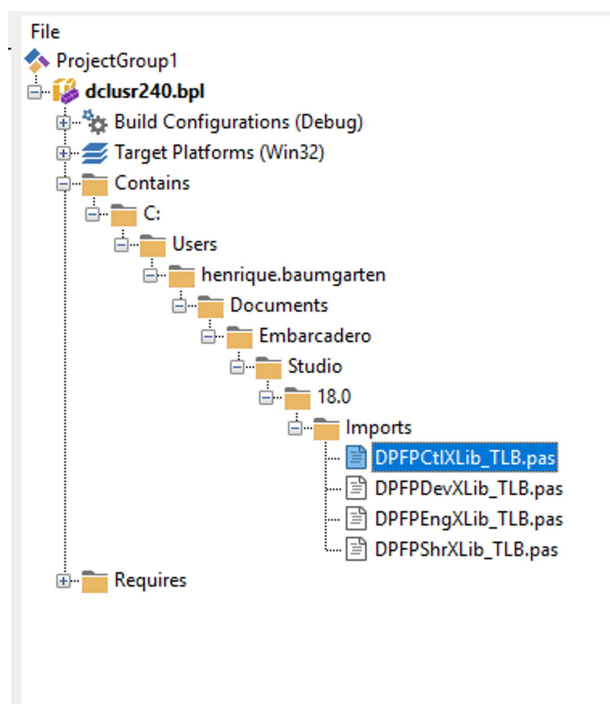

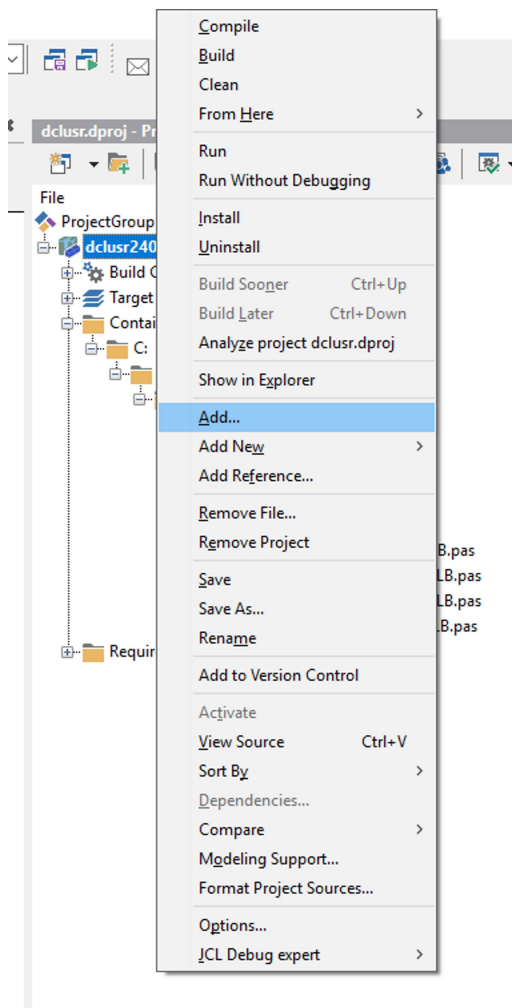

Faça o processo para as 4 dll's que aparecem na tela abaixo. Se não aparecer as 4 clique em add, o caminho aparece no grid da tela abaixo.

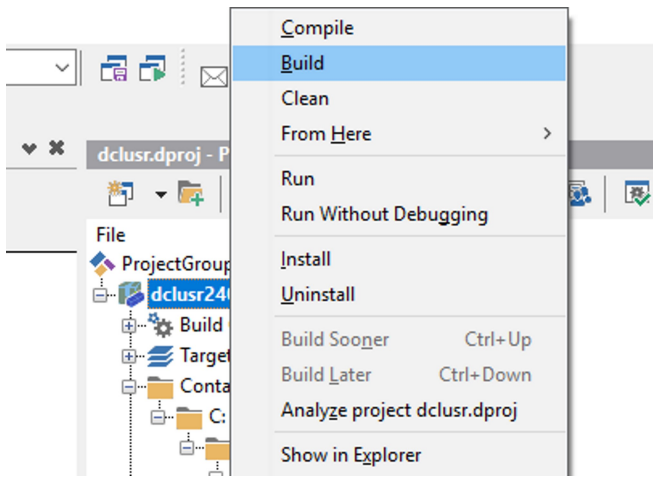

Lembre-se de marcar o checkbox "Generate Componente Wrappers"

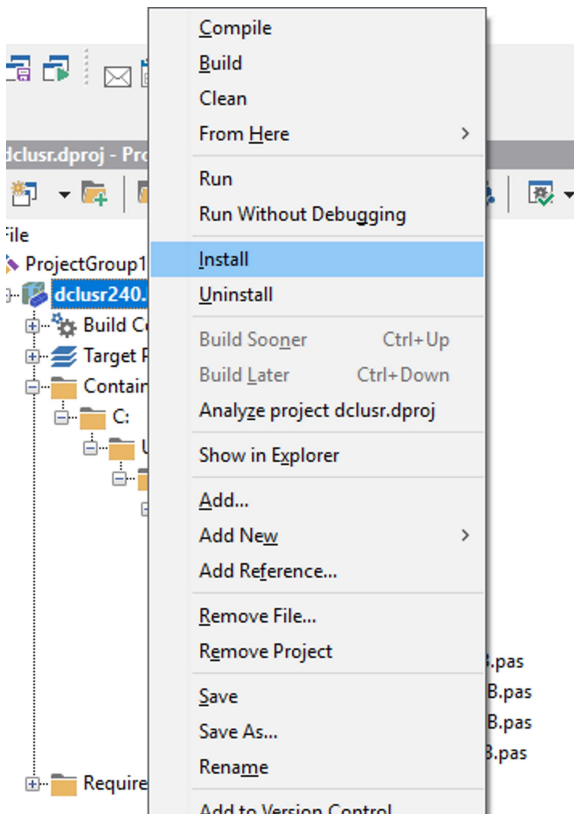

Abra a dclusr.dpk, clique com botão direito e mande adicionar os 4 .pas gerados

Build

Install
